 Duluth, GA

## Course Description

This presentation is designed for CPAs and executives of larger businesses who are in the process of evaluating and selecting a new accounting software system. You will learn about the strengths and weaknesses of each product, pricing, and industry specific solutions for manufacturing, distribution, retail, services, CRM, business intelligence, and more. We've done the homework for you. We started with hundreds of solutions and methodically eliminated those products with missing modules, missing features, software bugs, poor technology, weak company backing, a weak reseller channel, etc. We've flushed out the top products which we will discuss and demonstrate to you live, including:

- ◆ ACCPAC Advantage
- ◆ ACCPAC ProSeries
- ◆ Axapta (Microsoft)
- ◆ BusinessVision 32 (Softline)
- ◆ Great Plains (Microsoft)
- ◆ JD Edwards One World
- ◆ Macola Progression (Exact)
- ◆ MAS 500 (Best Software)
- ◆ MAS 200 (Best Software)
- ◆ Navision (Microsoft)
- ◆ Oracle Small Business
- ◆ SAP R/3, R/4, & mySAP
- ◆ Solomon (Microsoft)
- ◆ SouthWare Excellence Series
- ◆ SysPro Impact Encore
- ◆ Traverse (Open Systems)....and more

(The actual products demonstrated and/or discussed will depend on the audience needs and time availability.) For a detailed description of this seminar and instructor bio, visit: [www.accountingsoftwaadvisor.com/seminars.htm](http://www.accountingsoftwaadvisor.com/seminars.htm)

Register today by calling Ryan at 770.923.7144 ext 17

### J. CARLTON COLLINS, CPA

Collins is a nationally recognized accounting software expert and presenter of software packages who has implemented accounting systems for more than 200 companies and has delivered more than 2,000 technology lectures worldwide. Since he does not sell software, you get an objective, independent overview of the accounting packages. He is the author of the Guide to Installing Accounting Software Systems and is widely published in many Journals. Among his accolades, Collins was named one of the "Top Ten CPA Technologists" by Accounting Technologies Magazine and was honored by the AICPA for his life-time contributions to the CPA profession.
